LCD3 ALUMINUM-WOOD BIFOLD

LCD3 ALUMINUM-WOOD BIFOLD SYSTEM

Our newest design innovation, the LCD3 Aluminum-Wood bifold system delivers everything you would want in a bifold system. A low-maintenance exterior with the beauty of a real, natural wood interior, now combined with concealed multi-point locks throughout.

Built with the highest quality components, and latest engineering, the LCD3 Aluminum-Wood bifold system is simply the best all-around bifold system available.
